### **Used Honda Accord With Manual Transmission for Sale**

While the noise can be annoying and  
make you worry about the integrity of  
the transmission I would almost  
guarantee that you will not have any  
problems out of the life of the  
transmission. The 4cylinder models were  
also bad about a whine from the timing  
chain which is more prevalent at all  
times and not just an intermittent noise.
