Home » Kewanee Boiler. Kewanee Boiler. Kewanee Boiler first went into business as far back as 1868 and spent more than a century producing some of the world's most impressive and advanced boiler systems. Sadly, 2002 saw the company close its doors once and for all, but not before having sold and installed tens of thousands of huge and ...

Some parts, such as pilot assemblies and cams, vary depending on the model and year of the boiler. Many design changes occurred during the 1990s, but because OEM Boiler Parts has Kewanee sales records dating back to 1985 it can match Kewanee boiler parts to the exact model purchased. Many different blower wheels were used on Kewanee boilers.
