These candies are meant to be used by the desired user on one's self. Moon Rocks - This is a hard candy that allows the user to become nearly weightless as if gravity does not affect them as much. Its effects are similar to being on the moon, hence the name. The candy itself is similar to that of rock candy. upon biting down on the candy the user stops in mid-air and all momentum is stoped ...

### **Magic Candy | Candy Shop War Wiki | Fandom**

The first Candy Shop War was written as a stand alone story--Brandon Mull wasn't planning on more. It received such good feedback though that he found more story to tell, and I was worried that his "more" would become a series like Fablehaven where you don't learn the whole story until you've read all the books.

On its surface, The Candy Shop War is a well spun suspense story. Mull has taken it much further though, with weightier than usual character arcs and ethical issues. The prose are well constructed and generous amounts of humour are a welcome ingredient along side some truly suspenseful moments. johnlobe, July 23, 2010
