Students learned how he enjoyed "drawing with scissors" to create his organic and geometric shapes, and then learned how he arranged them into compelling compositions. Matisse's collage, The Beasts of the Sea (1950), was an excellent point of departure to get my students' creative juices flowing.

Drawing with Scissors | Arts & Activities

Towards the end of his life, Henri Matisse developed a new way of making art. An ongoing illness left him homebound, and during that time, he became inspired by paper. He moved away from drawing and painting and began to make compositions from cut pieces of painted paper. Matisse called his process "drawing with scissors."

Henri Matisse: Drawing with Scissors by Jane O'Connor

"But a drawing by a colorist is not a painting. It needs to be given an equivalent in color. That is what I cannot seem to manage." —Henri Matisse, letter to Pierre Bonnard, January 13, 1940. Paper cut-outs provided Matisse with a renewed sense of spirit precisely because they resolved the gap between drawing and painting, line and color.

Henri Matisse: Drawing with Scissors, Part I — NOBLE OCEANS

The Smart About Art series continues with Henri Matisse: Drawing with Scissors by Jane O'Connor, illus. by Jessie Hartland. Presented and organized in the style of a grade-school report (and written from the perspective of the fictitious "Keesie Johnson"), the latest installment covers the Fauve movement and Matisse's shift from painting to cut-paper collage.

Henri Matisse: Drawing with Scissors (Smart About Art): O ...

Recently, I've become quite involved with paper cutting as an art form and consequently have a large box full of colorful paper scraps, just waiting to be used. We ran across two books covering the later works of Henri Matisse (Henri Matisse: Drawing with Scissors, by Jane O'Conner , and Adventures in Art: Cut-Out Fun with Matisse) otherwise known as the "cut-outs," at the local library.

Art for Kids: Fun with Matisse - Playful Learning

During the last decade of his life Henri Matisse deployed two simple materials—white paper and gouache—to create works of wide-ranging color and complexity. An unorthodox implement, a pair of scissors, was the tool Matisse used to transform paint and paper into a world of plants, animals, figures, and shapes.
