Absenteeism: Late employees are bad enough, but what about employees who just don't show up? Of course, everyone gets sick. Most people call to let you know they won't be at work on a given day. But what if days turn into weeks, or the absences exceed acceptable limits over a period of time? Once the problem is apparent, you need to take ...

How to Handle Late or Absent Employees - dummies

I have found that when I track the times the employees work, especially when they get there in the morning, and then show them the cumulative time late, it really gets their attention. For example, an employee may think being 5 minutes late most days is no big deal.
