Playing Techniques And Performance Studies For Trumpet Vol 1

The Music Lab's Band Performance Studies course equips musicians from any background in critical and technical knowledge of playing in a band. With our strong emphasis on band performance skills, we believe that instrumental lessons are only complete when combined with band performance classes and workshops, where students of different instruments come together and play as a band.

Cases in Visualization for Improved Athletic Performance

As a full-time student, you're expected to dedicate 35 hours a week to university studies, including the time you spend in seminars and lectures. If you only spend 15 hours a week attending tutor-led learning, you should use the extra 20 hours for independent study. It's also important to remember that things often take longer than expected.
