Turns out, star power can actually take you a pretty long way. That's what I thought as I watched The Lost City, which wasn't the ingenious Raiders of the Lost Ark/Romancing the Stone-style revival I hoped it would be, but a watered-down knock-off, mired by a truly mediocre script.And yet, its bones are solid. In this case, the bones are a playful premise—a reclusive romance novelist ...

Movie Review: The Lost City

The magical trap was glowing brighter and brighter, energy building up within it with an ominous hum, until the trapped witch was almost lost in the glare. "Jas!" Ron shouted in panic. "Oh... oh Merlin. I'm sorry guys, I didn't mean-" The rest of her words were lost as the glare reached a crescendo.

Brooklyn-based visual artist Hadieh Shafie blurs the line between painting and relief sculpture. Her mesmerizing wall art designs are made by arranging thousands of colorful rolls that jut out towards the viewer. Shafie explains, "The rolling process places razor thin edges of color closely together, creating a space for the viewer's eye to blend adjoining colors."
